Re: *Carmen Tavarez-Vargas, et. al. v. Intersections Inc.*
Case No. 1:21-cv-09921-MKV, USDC Southern District of New York

Dear Judge Vyskocil:

Defendant Intersections Inc. respectfully submits this letter-motion to request 30-day extension of the deadline for Defendant to file a response to the Complaint, ECF No. 1. Defendant's counsel became aware of service of the complaint after the deadline to respond passed on January 4, 2022. Good cause exists for this extension because Defendant's counsel has just been assigned to this case and requires time to become knowledgeable about the case to prepare an initial pleading, and Plaintiffs will not be prejudiced by the extension.

Defendant has requested Plaintiffs' consent for this extension, but has not received a response as of the date of this filing. There have been no previous requests made for an extension of this deadline.

Current Deadline for Defendant's Answer	Proposed Deadline for Defendant's Answer
January 4, 2022	February 3, 2022

The parties are not currently scheduled to appear before the Court.
